

This summer, get ready for the new and improved roleplaying experience you've been waiting for your entire life: **My Little Hero: Friendship is Mythic!** Take on the roles of best friends who are ready to take on the world together, embodying undying sisterhood, friends forever, or bros to the bitter end! Navigate the wilds of everyday life through the sheer power of friendship, and discover that the power to change the world - and truly love others - was within you all along.

Create characters cooperatively with other players, who will become your lifelong friends both in and out of the game! No character can survive without their best buddy - who would help them out when they're sad, or bring them their favorite treats in the nick of time?! Experience a deep and immersive roleplaying experience in which everyone is super glad everyone else is there.

Enjoy a unique dice-rolling system, in which every result is a success, and some results are mega-successes, enabling you to activate super mega awesome friendship moves! There are no poor rolls in **My Little Hero: Friendship is Mythic**, just rolls that need a little more love!

Level up by performing tasks to prove your friendship and make your fellow players happy, earning points toward your Friendship Meter in order to grow! There's no limit to how far or fast you can progress except for the size of your heart, and the time you have to spend with your favorite friends!

Choose from a series of interwoven and flavorful Aspects, each representing an important part of your Hero's destiny as the best comrade ever to take a bullet for someone else and then go get ice cream afterward:

- **Affection**, the Aspect of love, devotion, and just liking each other a lot! Specialize into one of three unique Talents: *Friendly Cuddles*, *Loving Nicknames*, or *Thoughtful Gift-Giving*.
- **Feels**, the Aspect of unexplained emotion and just letting it all hang out with the people who understand you best! Specialize into *Drunken Confessions*, *Emergency Midnight Breakup Support*, or *Weird Crushes*.
- **Fun**, the Aspect of having a great time with your companions and not caring what anyone thinks! Specialize into *Chill Hangouts*, *Epic Parties*, or *Competitive Games That Somehow Got Out of Hand*.
- **Growth**, the Aspect of learning more about yourself and the needs of others, in order to become a better person! Specialize into *Life Lessons*, *Simplistic Revelations*, or

Sudden and Shocking Realizations.

- **Honesty**, the Aspect of sharing, caring, and doing both simultaneously! Specialize into *Secret-Sharing*, *Truth-Telling*, or *Unbreakable Oaths of Fealty*.
- **Trust**, the Aspect of knowing your pals have always got your back, and of course you have theirs! Specialize into *Low Ropes Courses*, *Sharing Favorite Things*, or *Supportively Hating Others*.
- **Understanding**, the Aspect of knowing just what to say and how to support your dearest mates! Specialize into *Silent Nodding*, *Stoic Support*, or *Weeping in Solidarity*.

Select from a wide array of magical friend-

ship powers, each more chummy than the last, including (but certainly not limited to!) **I Got You Bro**, which allows Heroes to fly to their friends' sides and prevent them from making a fool of themselves at parties, **Creative Cover-Ups**, which enables Heroes to come up with convincing stories to cover for their friends' mistakes and possible law-breaking, and **I Will Seriously Kill That Guy For You**, which allows Heroes to do what they do best: make people happy!

Build up your relationships with friends and friends of friends, weaving a complex tapestry of emotion and sleepovers, and remember: battles may be epic and love affairs may be exciting, but **Friendship is Mythic!**
